

2010 ANNUAL REPORT

Message from the CEO

Dear friends,

Milestones. Personally and professionally we all reach significant points in life we acknowledge as milestones. Healing Waters International reached a ministry milestone in 2010. On June 26, we celebrated providing over 100 million gallons of safe water. If you put this amount of water into one gallon bottles they would cover 8,730 miles which is the distance between Chicago, Illinois and Johannesburg, South Africa.

In eight years this ministry regularly serves more than 125,000 people with safe water at a local church. Equally significant is the fact that over 90% of all water systems installed continue to serve their communities every day! Milestones such as this cause us reflect on the past and to consider what could and should be next.

This all started in 2002 with the vision, commitment, obedience, and passion of Tom and Dana Larson, founders of Healing Waters International. With God's help, they birthed and nurtured every ministry element enabling the achievement of this milestone. God chose them, anointed them, and blessed their obedience.

Our church partners are the true heroes of this ministry. Their passion to serve the people in their communities each day is remarkable. Stories of transformed lives steadily come to our attention. We are very grateful for our partners. They encourage us and motivate us to continue serving and to make a difference every day.

The ministry of Healing Waters continues healthy and strong. Providing safe water is a race without a finish line. We continue to run the race set before us. Thank you for your interest and support.

Best regards,

Ed Anderson

Our Vision

To see safe water provided in the name of Jesus in every poor community of the world.

Our Mission

Healing Waters International empowers local ministry partners to bring physical, social, and spiritual transformation to poor communities by providing sustainable, safe water solutions.

Core Values

Jesus-Inspired
Sustainability
Integrity
Accountability
Accessibility
Unity
